

**HIDDEN BAY
LEADERSHIP CAMP**

Day Camp Parent Guide

Welcome to Hidden Bay!

We are very excited to welcome your child to our camp family. This guide is created to help new campers and parents to become more familiar with Hidden Bay and our programs.

Why a “Leadership” camp?

At Hidden Bay our desired outcome for each camper is the development of character and leadership ability. We focus on activities as a means of developing attitudes, knowledge and skills that will enable each one to confidently conduct themselves in a courteous, respectful, responsible and confident manner not only at camp but also at home and at school. Everything we do encourages each camper to –

Think for themselves - Make good choices -Set goals - Make plans—Problem solve -Take responsibility—Experience success - Celebrate the success of others

Hidden Bay generates a positive, esteem building environment using the Future Aces Creed. Campers are recognized, and recognize others, on a daily basis using “Caught you doing something good”. In this way, they are encouraged to develop healthy relationships with their peers and counselors, to respect each other, and during our reflective “pond time”, to be comfortable in acknowledging and verbalizing their feelings.

VISION

All individuals learn to recognize and develop their full potential to become people of good character who make a difference.

MISSION

In an environment that fosters courtesy, respect and responsible behaviour, campers learn to confidently apply what they have learned from the experiences of today to the opportunities and challenges of tomorrow.

Who are our staff?

Our counselors are high school grads and university students who can demonstrate that they are reliable, have experience with, a love for, and an understanding of children and youth. They attend a week-long training period, including health and safety, policies, procedures, exciting program planning skills, all within our leadership and character development framework.

All staff are thoroughly screened with a personal interview, references and police clearance. In addition to bringing experience and skills, they are also trained in first aid and CPR.

Our staff include a program director, day camp director, LIT/CIT Director, counselors, and 2 one-on-one counselors, who work with our campers with special needs. All counselors are assigned a cabin of campers, and they also lead activities. Each camper chooses their own activities, so rest hour, morning and evenings are the special bonding times for a cabin group and their counselor.

Activities

Camper have a chance for 4 activities each day.

FOCUS Activities

Campers can choose from canoeing, kayaking, swimming, arts and crafts, or archery. They will follow that activity for 3 consecutive days, in order to build their skills in that area.

Open Activities

Each day, campers can choose from all the land, water and artistic activities. They choose one for the morning, and one for the afternoon.

They can chose a wide variety each day, or stick to the ones that they really enjoy.

Site and Facilities

Carnegie Hall

Built in 2007, Carnegie Hall is used as our dining hall, and for large group indoor activities. There are also washrooms and some staff accommodations. The large covered porch is great for group activities, and outdoor dining options.

Waterfront

In addition to 3 permanent docks, there are 3 floating docks and a water trampoline. This area is off-limits unless supervised.

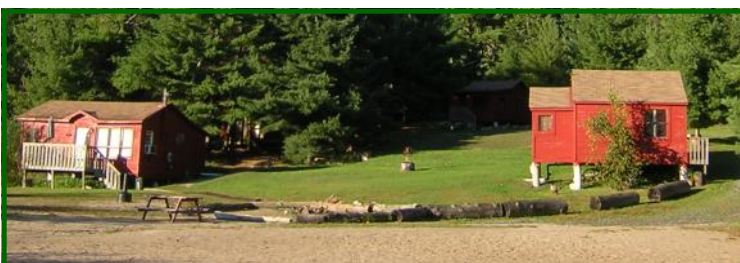

Cabins

There are 4 tent-cabins located on each of the boys' and girls' sides of camp. With a permanent roof and built on a platform, each tent-cabin has up to 8 beds in bunk-bed style.

Washrooms

There are 3 sets of outdoor washrooms. There is one on the girls and boys sides, with 2 washrooms and one separate shower. There is also a central washroom block, with 3 washrooms and 2 showers.

Activity Cabins

There are 2 activity cabins, a health and wellness centre, and 3 counselors' cabins on the site.

Dragon Boat

Our 10-bench dragon boat provides campers with a chance to work as a team to coordinate their strength to navigate the boat on our lake.

Kayaking

Campers will learn to confidently paddle and maneuver kayaks while improving strokes and techniques.

Swimming

Our NLS and bronze—cross certified lifeguards will help campers to build skills in the water, emphasizing stroke improvement, endurance, and strength.

Canoeing

Our ORCKA—trained staff will mix theory and practice to develop skills and confidence in paddling, steering and safety measures, in tandem and solo canoeing.

Archery

Take aim! Campers can learn techniques to improve their skills with a bow and arrow, using our re-curve

bows. Safety includes learning the range commands and boundaries.

LAND ACTIVITIES

Low Ropes

Wear running shoes to our low ropes course, where groups of campers will negotiate through the elements by working as a team. Come try the tarzan rope, "spiders' web" and tire challenge

Sports and Games

At Hidden Bay, we add new challenges and twists to the traditional soccer, beach volleyball, football and Frisbee, on our fields and our beach playing areas.

Eco-Adventure

Explore your environment and learn outdoor skills— visit the bog, the marsh and the Cookie Trail, and learn about plants animals and insects; build shelters, and learn to make a campfire

Arts ACTIVITIES

Arts and Crafts

Try your hand at creating personal crafts that you can take home with you; including picture frames, tie-dye clothes, bags, and much more.

Photography

Campers learn about lighting, shadows and angles to create and take memorable pictures

Drama, Dance and Music

Music and Drama are integral parts of our camp program— informally in our campfires, meal times, and cabin activities, and formally in our activities, where campers can bring their own instruments and jam, try out bucket or hand drumming, learn new dance steps, and creatively learn improve techniques and drama warm-ups to make skits.

Theme Days

One day every session, the camp gets “taken over” by a theme day—Whether is it Peter Pan looking for his shadow, Lucky the Leprechaun looking for his pot of gold, or a superhero in search of her super power, campers and counselors alike dress up and take on new roles, in a group effort to solve the problem of the day!

Meals

Day campers are provided with a lunch and an afternoon snack.
Fruit is available throughout the day.

Our award-winning kitchen staff prepare delicious, nutritious meals that follow the Canada Food Guide. In addition to traditional “camp” meals, we encourage the children to try new dishes that are prepared. It is our goal that they will develop healthy life long eating habits. Weekly menus are posted at camp.

Be sure to note on the health form if your child has allergies or is on a special diet so that necessary precautions can be taken.

We look forward to **celebrating the children's birthdays** during the summer. A cake or cupcakes will be prepared in the camp kitchen.

Please do not send any food to camp with your child.

Hidden Bay Leadership Camp is a peanut-aware facility.

Hidden Bay “Unplugged”

Hidden Bay is joining the growing movement in camping to provide an “unplugged” environment, where campers can enjoy the natural environment and develop relationships with other campers and staff, instead of worrying about the loss or damage of electronics. Please leave camera, cell phones, Ipods, etc. at home.

You can look forward to receiving a CD with camp pictures taken by our staff!

Tuck

In an effort to reduce the need to bring cash to camp, tuck is now included with your registration. Each camper will be given Tuck Bucks during Tuck times to spend as they please, so you no longer need to send money with your camper!

What about cell phones? How do I get in touch with my child?

Camp staff are happy to answer any questions parents might have about how their child is doing at camp. Parents of first year campers will receive a call in the first few days of camp. Though cell phones seem like a quick and easy way to check on your child, they can also provide distraction to campers who are otherwise busy with activities. For family emergencies or urgent messages, please call the camp at (705) 342-7345.

Safe Arrival / Departure

When you and your child arrive at Hidden Bay Leadership Camp, please ensure that the Staff is aware of your child's arrival. Staff are not responsible for children if they do not know they are at camp. Similarly, when picking up your child please make sure that the Staff is aware that your child is leaving the premises. HBLC has a sign in/sign out procedure which requires you to initial and record the time of arrival and pick up for your child(ren). If your child is sick, late or absent for the day, the Camp Director should be notified by telephone prior to your usual arrival time.

Written permission from parents is required with respect to having your child(ren) escorted to and from camp by someone else.

UNLESS PREARRANGED IN WRITING, YOUR CHILD CANNOT BE RELEASED TO ANY PERSONS OTHER THAN THOSE SPECIFIED ON YOUR REGISTRATION FORM. ANYONE OTHER THAN THE PARENT MUST BE ABLE TO PROVIDE IDENTIFICATION UPON REQUEST.
