## 8 and 12-day Sessions

Our longer-stay sessions allow campers to deepen that vital sense of connection and belonging, strengthen relationships and have the opportunity for significant growth of skills in 2 activities. The longer stay also allows them to try a wide range of activities. Campers will experience an overnight cook-out and camping trip on-site.

***LD program (leadership development): \*\*NEW\*\* in 2012***

*For campers 13 years old and up in 8 or 12 day sessions, this program is designed for challenge and personal development. As preparation for the LIT program or as a way to develop leadership skills, this intentional program will include earning levels, and an overnight trip as a group off-site.*

## 5-day Sessions

Campers arrive on Monday morning to an action packed, fun filled week that includes lots of activities, and an introduction to leadership. Your camper returns home by bus on Friday afternoon. Our five day session is an excellent opportunity for first time campers, and for those whose busy summer allows only a brief time at Hidden Bay.

## JUNIOR CAMP

Junior campers will have the opportunity to experience camp life for 4 days and 3 “sleepovers”. They will be given the opportunity to enjoy arts and crafts, sports and games, recreational swimming, and campfire. They will stay with their counselor in indoor accommodation in Carnegie Hall.

## LIT: Leaders in Training

In addition to two weeks of camp fun, this session is designed to build on previous experiences and provide opportunities to not only understand what “leadership looks like”, but to practice the attitudes and skills that are required to become a leader. Campers are encouraged to think for themselves, make good choices, set goals, make plans, problem solve, and take responsibility. They will be offered opportunities to plan and lead games, and learn to instruct activities with the support and coaching of staff. LIT will help them develop confidence, self esteem and a belief in their potential. Upon registration, campers will receive an application letter to complete and return to confirm their intent for the program.

## CIT: Counsellors in Training

This program is geared towards the LIT graduates who are serious about enhancing their leadership skills. The CITS will participate in a month long program that will give them practical experience in undertaking responsibility, creating and delivering intentional programming and mentoring campers.

*This program is ideal for those wanting the opportunity to work as a Counselor. There are a maximum number of spaces available. If interested, please fill out the registration form and send in with a current resume.*

*Interviews will take place in January.*
